

REGISTER of ELECTORS 1896

Back in 1896 there was no universal franchise for adults and votes for women were still a long way off. The voting qualification in 1896 was covered by the 1884 Reform Act thus:

Franchise Qualifications - Counties.

Occupation of freehold land valued at 40/-.
Occupation of leasehold land valued at £5 per year.
Occupation of copyhold land valued at £5 per year.
Tenants at will holding land valued at £12 per year.
Occupation by ratepayer of a house, irrespective of value.
Lodgers renting unfurnished rooms, for a year, of a value of £10 per year.
The value of property was based on that used for rating purposes.

Some persons satisfied more than one qualification, both within the same and different parishes, which resulted in them having duplicate registrations as electors.

High Littleton came under Farmborough Polling District within the Northern Division of Somerset. Within the Polling District the register is subdivided between the separate parishes of Farmborough and High Littleton. Within each parish the electors are further separated according to their franchise qualifications.

Parts of Farmborough, including New Road and Scumbrum, are now incorporated in the modern civil parish of High Littleton, so it has been considered useful to transcribe the register of both parishes. In the transcriptions that follow everything has been copied faithfully, including several obvious spelling mistakes.
